DETAILED ACTION

1. This Office Action is in response to the communication filed on October 09, 2006. Claims 19 and 24 are amended; and claims 22-23 are cancelled. Therefore, claims 12-17, 19-21 and 24-28 are pending in the application.
2. Claims 12-17, 19-21 and 24-28 are allowed and renumber as 1-14, respectively.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The prior arts of record do not teach nor suggest, either alone or in combination, all the limitations of the independent claims 12 and 19 of the current application; particularly the structure/circuitry of the comparing module as recited in claim 12; and a method having a step of comparing the given address with at least one ending address to determine an objective group of the objective section, wherein the ending address is substantially equal to the first address or the last address of each section as recited in claim 19.

Claims 13-17, 20-21 and 24-28 further limit the allowable independent claims. These claims are therefore allowable for the same reason as set forth supra.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
